

Explore one of our newest treasures, a mural along A.J.'s Way that portrays just some of Gannon's many hidden gems and the many aspects of the Gannon Family, which were selected by the students who brought this project to life.

Put your GU knowledge to the test! Can you find all the hidden gems?

1. A 48-foot research vessel that creates a hands-on learning environment on Lake Erie.
2. The longest-running organization of its type in the country, and the second-oldest in the world.
3. A cross-disciplinary project bringing literacy to the City of Erie and beyond.
4. Students in Gannon's biomedical engineering program have helped create this cutting-edge medical device.
5. The original solitary building on campus that currently houses the Office of the President, Alumni Services and administrative offices.
6. In Fall 2017, Gannon's student body was comprised of students from 43 countries.
7. Keeping true to the vision of its founder, this organization has provided concerts to all music lovers free of charge since 1987.
8. The General Superior and Honorary President of Villa Maria College during its founding.
9. Gannon students participating in this program study and experience a global destination of their choice.
10. This museum moved to the Center for Communication and the Arts in 2014, and offers rotating exhibits free of charge to students.
11. An iconic "gateway" to campus found along W. Seventh St.
12. These bodies of water are found in close proximity to each of Gannon's campuses.
13. Gannon's home to business-related programs, the Erie Technology Incubator and the Gannon Small Business Development Center since 2014.
14. This group has traveled to Jordan to dig-up and uncover the past.
15. Gannon's southern campus, formally dedicated in August 2015.
16. A tradition since 1987, this yearly event encourages service in our community while sporting an iconic t-shirt.
17. A "black box" variety that offers numerous mainstage shows on campus each season.
18. In 2007, Gannon joined this athletic conference.
19. Gannon is home to the largest of these learning environments in the region, allowing hands-on study in health professions and related fields.
20. Gannon's namesake and founder in 1925.
21. Archbishop John Mark Gannon's original vision for the conception of Gannon was to make a college education accessible to anyone with "a cost which they can well defray by a paper route."
22. Celebrating its 45th anniversary, this structure makes the airwaves come alive with music to the tristate area.
23. Opened in 2012, this facility actively promotes physical wellness as part of the holistic Gannon experience.
24. Gannon's student-produced weekly newspaper.
25. A naturally-occurring granular material found in close proximity to both of Gannon's campuses.
26. The primary north-south footpath frequently traveled by students on the Erie campus.
